**Edmonton, AB** – The Marketplace at Callingwood, a vibrant West Edmonton community shopping centre, is putting the final touches on their extensive exterior facelift. Renovations to the busy shopping centre began on January 24, transforming the buildings to reveal a progressive new look.

“The Marketplace at Callingwood is a dynamic community shopping centre,” explains Brad Metcalfe, Director of Property Management with CentreCorp Management Services. “The appearance of our storefronts and breezeway is now modern and vibrant, reflecting a positive image for our centre and businesses.”

The renovation project included a new façade for the building in the following areas:

- From Shoppers Drug Mart to the Liquor Depot
- From Dairy Queen to Westside Animal Clinic
- The Breezeway area beside Shoppers Drug Mart
- Macs Convenience Store
- TD Canada Trust building

In addition, Canada Safeway completed an exterior and interior renovation, and Muggn’z Family Restaurant underwent a total renovation to the interior of the restaurant. Both tenants have revealed a contemporary and innovative look that has enhanced customer experiences and the shopping center overall.

“We want to thank mall patrons and local residents for their patience during the renovation process,” explains Brad, “and we look forward to serving them for many years to come!”

The Marketplace at Callingwood will be announcing its new look through an exciting promotion that runs from November 5-18, 2007.
